## HERALD Alternative Investment Fund

Data as of 30.06.2023

Assets under Management: 1.635.876,4279 EUR

NAV: 9.705,1248 EUR

FIA HERALD is an alternative investment fund (FIA) with a diversified investment policy which raises publicly financial resources and it has unlimited operating life.

The fund invests mostly in financial instruments listed on Bucharest Stock Exchange or on other stock exchanges from UE or G7 and/or OCDE and also on financial derivatives products on Romanian and international markets. The financial derivatives instruments are used either for hedging purposes or investments. The fund is allowed to invest temporary liquidity in bank deposits, treasury bills or sovereign bonds.

The performance of the fund is computed based on the investment products held in its portfolio. The selection of the investments is based on the assessment of growth potential and associated risk. The fund distributes dividends according to the constitutive documents.

Performance is calculated in EUR, and includes dividends distributed for 2017, 2019, 2021 and 2022.

## FIA HERALD

This graph shows the fund's performance as a loss or gain expressed as percentage per year over the past 10 years. Past performance is not a reliable indicator of future performance. Markets could evolve very differently in the future. It is useful to assess how the fund was managed in the past. Performance is presented after deduction of current expenses. Entry and exit fees are excluded from the calculation of the fund performance.
